47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The last I looked this is a democratic society and enables competition. You apparently have the idea that by limiting competition you can charge whatever you wish. I left AT&T along time ago because they are the bad guys. The internet is free and should remain free and we should be able to use any carrier we wish. Its simple. I support broadband competition.
